I'm Jake! I've spent my life delivering ***engaging storytelling*** via ***sophisticated shots*** and ***specialized sound***.

There's tons of **film work** and **client work** available on my site that exemplify my skills, but to date I'm most proud of **Take a Little Time**: my senior thesis film at Penn State for which I ***wrote***, ***directed***, ***DP'd***, ***sound designed***, ***composed***, and handled ***VFX***.

In post, I'm an experienced narrative and commercial **editor**. My knack for crafting and incorporating **motion graphics** lets me deliver polished, personalized, **unified branding** for clients.

On set, I'm comfortable anywhere— but especially the ***camera department***.

Beyond my **college DP credits**, I've been **1st**- and **2nd AC**'ing in the NYC area. Experienced ***slating***, ***focus pulling***, ***swapping lenses***, etc. DSLR or Cine Primes.
