Production Experience

Fugue Season 1 | Health & Safety Coordinator

Queens, NY, March – September 2022

- Organized COVID vaccination status information for hundreds of cast & crew members, reaching out personally to all new hires to ensure smooth and compliant onboarding.
- Managed department inventory by tracking usage of PPE & testing supplies across several locations, re-ordering at coordinated times to prevent shortages or delays.
- Reconciled all transactions across several department P-Cards, facilitating uninterrupted safety rides, supply runs, meals, and van fuel all season long.
- Handled department logistics such as incident reports & check requests, testing trailer dropoff/pickup, and wrap-out inventory organization/transport/storage.
- Created department communications including designing, printing, and posting testing signage, and writing dozens of time-sensitive H&S memos distributed company-wide.
- Assisted with COVID testing by administering rapid tests, scheduling and moderating PCR tests, and shipping at-home antigen tests to every COVID-positive cast & crew.

Oh Sweet New York | 2nd Assistant Camera, Motion Graphics

Bronx, NY, June 2022

- Assisted DP and 1st AC throughout this microbudget pilot shoot.
- Designed and animated logos for both the series and production company.

Fugue Season 1 | Health & Safety PA

Queens, NY, February – March 2022

- Executed equipment pickups and dropoffs between productions, and kept both sets and testing environments supplied on-location as department van driver.
- Streamlined Background Holding rapid-testing procedures by implementing a BG#-based tracking system and encouraging pre-packing supplies for the following day.
- Assisted with scheduling cast PCR tests by adapting new DOODs into custom-designed spreadsheets and coordinating with cast/assistants accordingly.
- Ran daily crew check-ins and monitored on-set COVID compliance.

Vogue Sketch to Dress | Assistant Camera

Manhattan, NY, September 2021

- Assisted DP throughout this Vogue docu-short at/around the 2021 Met Gala.

Overlook | 2nd Assistant Camera, Sound Designer

State College, PA, July 2021

- Assisted DP and 1st AC throughout this narrative short shoot.
- Implemented creative sound design work in post and performed the final sound mix.

Take a Little Time | Writer, Director, DP, Composer, Sound Designer

State College, PA, March 2020 – March 2021

- You're still reading down here? I'm flattered...and I snuck just oneeee college credit in because I'm so proud of the team I led through a 5-day shoot in a pre-vaccine world!
- Following just-set industry COVID protocols, my senior thesis film overcame the uncertainty of shooting at all, and went on to achieve:
 - WINNER: Best Student Short, Kansas Arthouse Festival 2022
 - WINNER: Best Composer, Philadelphia World Film Festival, May 2022
 - WINNER: Award of Merit, Student Script/Writer, IndieFEST Film Awards, 2022
 - WINNER: Award of Merit, Student Film Short, IndieFEST Film Awards, 2022
 - WINNER: Award of Excellence, BEA Festival of Media Arts, 2022
